RE: Kernersville, NC-Landfill Permit #34-04

Dear Mr. Lutfy:

Enclosed is the disc copy of the semi-annual groundwater monitoring data collected at the subject landfill on December 6, 2007. Mr. Sid Champion, Executive VP and Director of Laboratory Services for Research and Analytical Laboratories, Inc (RAL) conducted the groundwater monitoring program in accordance with the North Carolina Water Quality Monitoring Guidance Document for Solid Waste Facilities.

If you should have any questions concerning these reports or require further information, please feel free to contact me at any time.

Regards,
